There is a substantive error on page 18 line 15.

Page 18 Lines 14-17

It again proposes use of an **RFD** bid process to meet residual load requirements, which are those not already under contract by one means or another.

RFP should replace RFD

This memo will be attached to the October 7, 2009 bench session meeting minutes. The Commission will vote on this change at the December 2, 2009 bench session.
